Find out your ring size using a measuring strip

1. Print out the attached file. Use the 1:1 2. Cut out the strip and cut an opening format on your printer.

- on the left side.
- 3. Wrap the strip around your finger so that the marked sizes are on the outside of the paper.

- 4. Pull the end of the strip through the opening.
- 5. Please bear in mind that you need to pull the ring over your knuckle. Therefore, select a size which you can pull over the knuckle easily, only with a slight deformation of the paper ring.
- 6. The indicated size which fits in the opening of the strip shows the ring size for the measured finger.

۷

Find out your ring size using a ring you already wear.

- 1. Print out the attached file. Use the 1:1 format on your printer.
- 2. Place the ring onto the circle so that its inner line matches with the circle on the paper.
- 3. The number inside the circle shows your ring size.
